

**HB8061-S-3 Stainless Steel 304 API Drop Adaptor with size of 3 inch of male connector
(Gravity Coupler)**

The API drop Adaptor adopts a 70-degree inclined design to facilitate hose connection and effectively extend the service life of the hose. It is specially adapted to optimize the design of quick coupling for API bottom adaptor to ensure safety and rapid unloading of low-corrosive chemical liquids products. The inner lip interface designed for convenient connection is more easily compatible with various connectors that comply with API1004 standards.

Technical Specifications:

Body: Stainless Steel 304

Male End: 3 inch
