

## HBCFC Series of Clamped Flange Couplings for Composite Pipe

Clamped Flange Coupling

### Materials:

Flange: Stainless Steel

Insert Parts: Stainless Steel

Clamp: Brass

Bolt and Nut: Stainless Steel

### Ordering Specifications:

| Item Number  | Name                    | For Pipe Outer Dia. | Size of d1 | d2 | D1  | D2   |
|--------------|-------------------------|---------------------|------------|----|-----|------|
| HBCFC-4054   | Clamped Flange Coupling | 54                  | 110        | 18 | 54  | 41   |
| HBCFC-5063   | Clamped Flange Coupling | 63                  | 125        | 18 | 63  | 50   |
| HBCFC-5063-2 | Clamped Flange Coupling | 63                  | 125        | 18 | 63  | 52.5 |
| HBCFC-8090   | Clamped Flange Coupling | 90                  | 160        | 18 | 90  | 73   |
| HBCFC-8090-2 | Clamped Flange Coupling | 90                  | 160        | 18 | 90  | 75   |
| HBCFC-100110 | Clamped Flange Coupling | 110                 | 180        | 18 | 110 | 90   |
